Anna,

I'm looking for any and all records, (correspondence, maps, photos, reports, violations, notices etc.) for the addresses listed on my FOIA request. It's an old property in an industrial area so I suspect USEPA will have records under either Edward Hines Lumber Company or North Chicago Lumber Company, in addition to the (3) addresses it goes by. I'm not sure if any of the division of Region 5 can look up records by the Property Identification Number (PIN) 12-04-100-0005, so I included it just in case.

I agree to your fee commitment as requested. Please call me with any questions, Anna.
Thanks.

Ms. Blazer,

Please describe the records or type of records you are requesting from EPA under the FOIA for this request. If you know or believe EPA has records give as much information

as you can about the records. You will need to submit a commitment to pay FOIA processing fees.

Based on the broad request, this will be assigned to the Superfund (hazardous wastes) Land & Chemicals (non-hazardous) Water and Air Divisions . Based on this a fee commitment of at least \$100.00 is needed to process the request. Reply to r5foia@epa.gov if you agree to this fee commitment. You may want to review the EPA envirofacts database which may be of use to you at:
